Dear Mr. Atul Bapat,

It was a pleasure to have your team presenting your 'Power of Togetherness' program for our Annual Manager's Conclave on 7th and 9th May 2017. Our 274 staff members, including branch managers, along with senior executives & management, Managing Director as well as Hon'ble Chairman enjoyed participating in the group activities.

All the 8 group activities were designed with specific focus on enhancing cognitive abilities, encouraging lateral thinking, inter-personal relations, team work, goal achievement, communication and many other core capabilities expected from staff in leader role. Experiential learning makes the entire programme all the more interesting and enjoyable. The pragmatic sessions from the team building activities could be directly linked to the business sessions. The Co-ordinators of the programme were well trained, enthusiastic and very supportive. I can vouch for my staff that they enjoyed the programme very much and 93% of them reported overall satisfaction in the feedback received.

I once again thank you for the wonderful sessions of 'Power of Togetherness'.

With regards,

Madhuri Marathe,

General Manager – Operations.
