Leadership By Choice- By CATS Academy

“Leadership” is never by virtue of a position. It is indeed a choice that one makes and **“Leadership by Choice”**, a dialogue based program under GM India’s “HR Gurukul”, brought this up rather wonderfully well through an effective dialogue. The program was attended by General Managers and Directors of GM India, Talegaon operations. 360 feedback, that was conducted during the program was the simplest way to help leaders to reflect and challenge themselves. The program pedagogy certainly encouraged them to realize that true leaders always inspire and influence their followers and when a leader travels through this path, it can never be a binding – It is always a choice.

A very effective intervention meticulously facilitated in most simple fashion possible by Atul Bapat.
