TESTIMONIAL

We had a rewarding experience with CATS in the Assessment Centre conducted to identify potential Managers to groom as Successors. The passionate team of CATS with their systematic conduct of Sessions, using high quality tools and techniques is impressive. The unanimous acceptance of findings by the participants and Management Team is the testimony for the credibility of the Reports.

We look forward to more beneficial learning experiences and interventions with CATS.

With best wishes

M TRINADH

Sr. Vice President-HR
