Turnwell Engineers Pvt. Ltd. was associated with CATS academy India Pvt. Ltd. for one year for setting up HR systems and processes. CATS Team Mrs Ruhee Kaul and Miss.Aishwarya Kahate helped us to set HR process and implement HR systems effectively and foster Performance Driven culture in Turnwell Engineers. I am happy to see the positive change in our organization and whatever was committed in SLA was delivered.

I highly recommend CATS academy India Pvt. Ltd. to all SME's for enhancing their HR systems and processes.

Thanking You.

Alok Ambekar
Executive Director.
