Dear Mr. Bapat,

This is to acknowledge with thanks the three outbound training programs conducted by CATS Academy covering all employees of Prescient Color Ltd.

All three programs were very well planned with relevant activities and games that provided valuable insights. The overall content was well knit covering team work, interpersonal trust, goal achievement, sense of belongingness etc. This truly helped us to reflect on ourselves and our team.

The feedback we received with regards to these programs from all our employees is excellent. I am sure that it would bring about a lot of positive transformation within the team in the coming days.

The trainers were really good in bringing immense energy and passion into every activity and also ensuring that all participants were meaningfully engaged throughout the program.

We appreciate the efforts and commitment CATS Academy team has put in towards conducting these programs and look forward to many such fun filled and insightful experiences.

For Prescient Color Ltd.
