We engaged CATS Academy as our "Strategic HR Partner" for a period of one year. I find this association has immensely helped us to establish sound HR practices throughout our Organization.

I appreciate the dedication, transparency and systematic approach by CATS team particularly Ms. RuheeKaul and Ms. Aishwarya Kahate. Whatever was committed in SLA (Service Level Agreement) was delivered while ensuring "buy-in" from every member of our Organization. I believe we got more than 100% than what was committed.

I highly recommend CATS Academy India to all SME's who wish to considerably enhance their HR systems and processes.

Thanks & Regards
Rajesh Doultani.
